On December 17, 2004, Applicants submitted an Information Disclosure Statement (IDS). On October 20, 2010, Applicants contacted the Examiner, and discovered that some of the references cited in the December 17, 2004 IDS had not been considered because WIPO did not send copies of the references to the USPTO. The Examiner indicated that he would consider the references cited in the December 17, 2004 IDS if copies were submitted by the Applicants.
